Hello Dave,

Thank you very much for a great experience at your golf school. You have a first class instructional team. Particularly, I really appreciate Steve's dedication of his knowledge and teaching to me. He's an outstanding golf instructor and person. He's using all kind of golf teaching techniques and tools that made me a better golf learner. I also enjoyed Chris's enthusiasm for the teaching. He provided me with fresh air in golf especially with simple instructions and computer tools. Tim and Mike are so friendly. Kim is so confident in his instructor team. It's a joy to be around your staff.

I enjoyed getting to know you. You reminded me what a great business man should be like: do what it takes and take risks when having to.

In all, you and your staff have contributed significantly to the golf learning experience and certainly will produce better golfers.

Congratulation for a job well done and please continue to keep it up.

If you happen to come out to Silicon Valley, please call me so we can at least get together for a round of golf.

See you later.

Best regards,
